AMENDMENT AND RESPONSE

Commissioner for Patents

Sir:

In reply to the non-final Office Action mailed on 4/27/2010, to which a response with a three month extension of time is due no later than 10/27/2010, Applicant submits this paper. Please amend the above-identified application as described below and consider the following remarks. **All amendments and remarks herein are made without prejudice.**

A request for extension and requisite fees are included with this submission.

Remarks/Arguments begin on page 2 of this paper.
